INDEX TO VOLUME XXXIV, THIRD SERIES.

(WHOLE SERIES, VOLUME XLII.)

Abdominal pain in children, the surgical significance of 437
wounds, gunshot, at the casualty clearing station 596
Abortion and its treatment..... 660
incomplete, and placenta previa—pituitary extract in..... 570
treatment of 433
of in cases of retroversion of the uterus 1
Abortive treatment of gonorrhea in the male 588
Absorption of drugs and poisons from the genital tract 586
Accurate diagnosis in relation to treatment, the importance of, with special reference to the ear..... 97
Acetozone as a general surgical antiseptic.. 43
Acidemia in gas gangrene..... 513
in the treatment of gas gangrene..... 599
Acidosis in infancy and childhood..... 35
of shock and suspended circulation.... 742
the occurrence of in shock, hemorrhage, and gas infection..... 328
treatment of 731
Acne, vaccine therapy in the treatment of.. 759
vulgaris 263
Aconite in tonsillitis..... 152
Active immunization of infants against diphtheria 884
service, the scabies problem on..... 121
treatment in established eclampsia..... 111
Acute cerebellar injuries, symptoms of..... 900
dilatation of the stomach during and after anesthesia 98
infections, foreign protein injections in the treatment of..... 358
intussusception of infants..... 586
lobar pneumonia 188
osteomyelitis in children..... 849
otitis media in childhood..... 331
pulmonary edema, the treatment of.... 537
Adenoids and tonsils, removal of under local anesthesia 703, 767
Adequate treatment for syphilis..... 416
Adrenal extract, posology and mode of administration of 275
Adrenalin and muscular blood supply..... 547
and pituitrin injections in hay-fever.... 866
and quinine in the treatment of malaria in troops 426
chloride, the use of in Graves' disease.. 392
in the treatment of cerebrospinal fever. 791
of pneumonia 721
of syphilis 476
Adrenalin-pituitrin in asthma..... 402
Adults, tonsils in—tonsilloscopy and curettage 277
Advantages of the infusion of saw palmetto 380
Alcohol, action of..... 571
and human metabolism..... 472
and therapeutics 165
in pneumonia 727
non-beverage 303
something more of importance about... 249
the clinical and pathological aspects of. 609
Alcoholic injections in the treatment of trigeminal neuralgia 820
Alcoholism, chronic, and alcoholic psychoses, the pupilary reaction in..... 650
some complications and their treatment 206
Alkalies in the treatment of duodenal ulcer 239
in the treatment of influenza..... 911
Alkali in the treatment of diabetes..... 336
Alkaline treatment of eclampsia..... 690
Allen, Major J. A.: Spinal Puncture as a Method of Treatment for Sciatica..... 381
Amebiasis: its radical cure with combined emetine and salvarsan products..... 646
Amebic dysentery, experiments on the therapeutics of 413
oil of chenopodium in the treatment of 883
treatment of 425
Amputation methods, the influence of artificial limbs upon..... 142
Amyl nitrite inhalations in the diagnosis of mitral stenosis 659, 739
Anaerobic infection of wounds, potassium permanganate in the treatment of..... 140
Anal fissure, quinine in the treatment of... 637
fistula, treatment of..... 674
Analgesia by oral administration..... 728
Analysis of 133 fractures of the spine treated at the Massachusetts General Hospital 61
Anaphylactic skin tests, the application of to general medicine..... 714
Anaphylatoxin and anaphylaxis..... 133
Anemia, pernicious—a regimen helpful in so-called 123
the results of treatment in... 646
treatment of by transfusion and splenectomy 258
secondary—treatment of in infants by blood transfusion 355
transfusion for 575
Anesthesia and the anesthetist..... 124
for painful surgical dressings..... 633
minor but nevertheless major points in connection with 323
with ether oil by the rectum..... 138
Anesthetics and the heart..... 800
in West Virginia—nurses cannot legally give them 683
Aneurism treated by wiring, pernicious anemia, duodenal ulcer, hysterogenous zones, ascites, hydrothorax..... 464
Angina pectoris 632
Antacid medication, effects of on gastric acidity and secretions..... 727
Antenatal treatment of congenital syphilis with salvarsan 576
Anthelmintic medication, the use of chenopodium in 241
Anthrax, diagnosis and treatment of..... 730
Antidysenteric serum in the treatment of dysentery 278
Antimeningococcal serum in the treatment of cerebrospinal fever..... 198
Antipneumococcic chicken serum in pneumonia 889
Antipneumococcus serums in the treatment of pneumonia 430
Antipoliomyelitic serum 893
Antiseptics, toxicity of certain widely used. 646
Antitetanic serum, clinical and experimental 657
Antitoxin for gaseous gangrene..... 215
Anuria produced by the salicylates..... 124
Appendicitis simulated by lymphatic disease in children 670
Appendix, Roentgen-ray observation of the. 750
Army medical museums..... 252
Arsenic in the cerebrospinal fluid, the circulation of 795
Arsenobenzol and salvarsan, preparation of solutions of 785
"Arsenobenzol polyclinic" in the treatment of syphilis 358
Arsphenamine by the rectum..... 865
report on 710
treatment of syphilis the too intensive. 886
Arteriorrhaphy (brachial artery): neurorrhaphy (median nerve)..... 825
Arthritis, gonococcal—treatment of by sensitized vaccines 442
relations of the tonsils to..... 780
Arthroplasty, the new method of joint formation in 671
Articular lesions, immediate active mobilization as a general method in..... 909
Artificial limb movement, plan of utilizing the stump for..... 828
limbs and their influence upon methods of amputation 142
pneumothorax 342
and its value in the treatment of pulmonary tuberculosis 39
in pulmonary tuberculosis, the present position of..... 397
in the treatment of advanced cases of pulmonary tuberculosis 348
of pulmonary hemorrhage 202
of pulmonary tuberculosis 486
Asphyxia neonatorum, treatment of..... 112

Aspiration, continuous, of the pleura for empyema 199
Asthenia, neurocirculatory, and its management 641
Asthma, adrenalin-pituitrin in..... 402
bronchial—a clinical study of..... 725
Ataxia and paresis, treatment of by intraspinal injections of mercury bichloride... 736
Atropine, action of on the hypertonic infant. 649
Auricular fibrillation 272
and auricular flutter, digitalis and the control of..... 504
digitalis in 579
Autogenous vaccine in the treatment of pulmonary tuberculosis 485
Aviation, the vestibular apparatus in relation to 507

Bacillary dysenteries, treatment of by serum and salines 715
Bacillus pyocyaneus, treatment of wounds infected with 137
Backache, causes of..... 698
Back lesions, the value of diagnosis in..... 366
troubles 447
Bacterial vaccines of bronchial asthmatics who are not sensitive to proteins, the treatment with 42
Bad habit of vaginal douching..... 655
Bakers' yeast in diseases of the skin and of the gastrointetinal tract..... 122
Baldwin, Edward R.: Tuberculin in 1917... 153
Balsams in the treatment of scabies: a warning 272
Banana as a food for children..... 178
Barany chair tests and flying ability..... 669
Barium sulphate for x-ray work..... 270
Beer, nutritive value of..... 110
Beginning of dispensaries..... 684
Benedict, A. L.: The Wise Choice of Therapeutic Measures 87
Benzol in the treatment of leukemia..... 342
Benzyl alcohol as a local anesthetic..... 659
Beriberi and scurvy, foodstuffs required for the prevention of..... 64
and vitamines 855
Betanaphthol in the treatment of hookworm disease 332
Bichloride of mercury poisoning, treatment of 37
Biopsy, condemnation of..... 185
Bipp in the treatment of war wounds 99, 292, 661
Birth canal in obstetrics, problem of the.. 483
control, the question of an obstetric fad 353
Bismuth in the treatment of duodenal ulcer. 240
poisoning 22
Bland, P. Brooke: A Simple and Efficient Method of Perineal Repair..... 539
Blood, action of Dakin's solution on the.... 689
and cerebrospinal fluid in 300 known cases of syphilis..... 478
coagulation studies, review of, with mention of a new coagulation agent.. 79
flow, influence of certain drugs on..... 167
in the urine, the presence of..... 768
kidneys, and the diet..... 621
pressure findings in disease..... 735
question from the standpoint of the general practitioner..... 685
serum, whole, in the treatment of melena neonatorum 190
transfusion 587, 624, 894
citrated—method of..... 667
in the treatment of secondary anemia in infants..... 355
in various diseases of infancy and childhood 180
selection of donors by grouping for 438
Bone trauma, fat embolism following.....285
Botulism and Heine-Medin disease..... 728
Brachial neuritis and sciatica..... 469
Brain injuries 601
increased intracranial pressure in 517
wounds, penetrating..... 895
Brammer, J. K.: Eclampsia Gravidarum et Parturientium 690
Bread made from wheat and oats, barley, maize, or rice—digestibility of..... 272
Breast tumors 550
Bromide, the administration of..... 427
Bromoform in whooping-cough..... 31
Bronchial asthma, a clinical study of..... 725
Buddeized milk 792
Bunion, radical cure of..... 749
Bunions, an undisturbed tread operation for 585
Burns resulting from incorrect use of Dakin's solution 689
the treatment of by the application of paraffin 12
the use of dichloramine-T and a modified open-to-the-air treatment of..... 305
treated with ichthyol and glycerin..... 386
Bursitis, subdeltoid—treatment of..... 108

Cacodylate of iron in the production of melanoderma arsenicale 801
Cæsarian section an obstetric fad..... 352
Caffeine and gout..... 546
Calcium usually given in dilutions of cow's milk—is it injurious to infants?..... 804
Caloric values of various foods..... 406
Camphor in cardiovascular diseases..... 203
in the partial optic atrophy of glaucoma 787
in the treatment of pneumonia in infants 269
Cancer, inoperable—emetine hydrochloride in 479
of the lip, treatment of by radium..... 636
of the pyloric end of the stomach, restoration of gastrointestinal continuity following partial gastrectomy for.... 147
of the skin..... 71
treatment of with x-rays and radium.. 474
with radium, a report on the results of 47
Carbohydrates in diabetes..... 727
in infant feeding..... 559
Carbolic acid in the treatment of furuncles 282
Cardiac syphilis 647
Cardiopathic child, management of the.... 420
Cardiovascular diseases, camphor in..... 203
renal disease 119
system, the pulse-pressure test in preoperative estimation of the reserve strength of the..... 106
Care and feeding of the premature infant.. 35
Carminatives, a practical discussion of.... 733
Carrel-Dakin treatment of war wounds.... 292
Castellani's mixture in yaws..... 891
Catarrh, chronic cervical—the treatment of 229
Cautery extirpation in anthrax..... 730
Central nervous syphilis, treatment of..... 500
system, prophylaxis in syphilis of the 262
Cereal foods, vitamine content of..... 867
Cerebellar injuries, acute—symptoms of.... 900
Cerebral edema: its causation and treatment 677
Cerebrospinal fever 791
and its treatment..... 198
a report of 112 cases of.. 130
fluid, the reducing body in the..... 682
meningitis, intravenous serum treatment of 888
syphilis, prophylaxis in..... 407
Cervical catarrh, chronic—the treatment of 229
glandular enlargement in children, as evidence of infection..... 479
lymph-nodes, enlarged, in children, treatment of .....* 267
Chancroids and their buboes, treatment of.. 819
Changing views as to the use of quinine in malaria 169
Chemical agents in the destruction of tetanus antitoxin 865
Chemotherapeutic treatment of gonorrhea.. 598
Chemotherapy in tuberculosis..... 711
Chenopodium poisoning, a fatal case of.... 334
some notes on..... 241
Chest injuries seen at base hospitals..... 823
wounds 325
treatment of 511
Chilblains, treatment of..... 190
Childbirth, another consideration of scopolamine-morphine narcosis in..... 470
Chlorine antiseptics 863
group and acriflavine and other dyes, relative germicidal efficiency of antiseptics of the..... 359
Choice of anesthetics and the technique of gas-oxygen anesthesia 797
Cholecystitis and cholangitis, medical treatment of 350
Cholera patients, pregnant—essential factor in the treatment of..... 274
Chronic heart-block 103
hyperacidity, heart-burn, and sour regurgitation, causes and treatment of. 357
Cigarette smoking, the immediate effect of on healthy men and on cases of "soldier's heart" 46
Cigar workers, the effects of tobacco on.... 430

Circulation of arsenic in the cerebrospinal fluid 795
Circumcision, cosmetically perfect..... 136
Cirrhosis, surgical treatment of..... 905
Citrated blood transfusion, method of..... 667
Clark, John C.: Intravenous Injection of Quinine Dihydrochloride and Cacodylate of Soda in Treatment of Chronic Malaria. 457
Clinical action of veratrum, further observations on the..... 491
and pathological aspects of alcohol.... 609
aspects of hematuria 768
experience with Koga's cyanocuprol in tuberculosis 804
study of 150 cases of bronchial asthma. 725
techniques in infants, a résumé of..... 775
value of radium..... 619
Coagulose as a hemostatic..... 410
in the treatment of epistaxis..... 190
Cod-liver oil therapy for rickets..... 126
Collapse treatment of consumption..... 638
Colon bacillus pyelitis considered with reference to cases in boy subjects..... 182
Colonic anesthesia, ether-oil..... 634
Combined method for the localization and extraction of projectiles..... 58
Comparative activity of local anesthetics—paralysis of motor-nerve fibers..... 262
Complications of poliomyelitis, and the general treatment of the acute stage..... 725
Condemnation of biopsy..... 185
Congenital syphilis in children, the mercurial treatment of..... 808
Conjunctivitis treated with ichthyol..... 386
Connely, Willard: Therapeutics for Navy Hospital Corps Men—How Bluejackets Who Attend to Uncle Sam's "Binnacle List" are Instructed in Curative Methods at the University of Minnesota..... 160
Conservation of food by physicians..... 406
Constructive suggestions toward the control of syphilis, gonorrhea, pneumonia, typhoid and typhus fever..... 210
Consumption, the collapse treatment of.... 638
Contribution to the prophylaxis of lobar pneumonia 557
Control of hemorrhage from the upper digestive tract 50
of venereal diseases..... 217
Coöperation between pharmacology and therapeutics 105
Corpus luteum organotherapy, further clinical experience with..... 195
Cosmetically perfect circumcision..... 136
Cotton-process ether 403
Cresol-soap emulsion and lysol solutions for the destruction of the nits of the clothes louse 668
Critical discussion of sugar in its relation to infant feeding 563
Cross-scarification and incision methods of vaccination 648
Cumston, Charles Greene: Notes on the Medical Treatment of Ulcer of the Duodenum 233
The Treatment of Acute Pulmonary Edema 537
Curative and prophyactic value of vaccines in pertussis 798
Cure of inguinal hernia..... 139
Curettage and tonsilloscopy of the tonsils in adults 277
Cysts and pseudocysts of the pancreas..... 827

Dacryocystitis 418
Dakin's solution, notes on..... 687
Davis, Edward P.: Retroversion of the Uterus: Its Prevention and Cure..... 1
Davis, J. Leslie: Concerning Enucleation of Diseased Tonsils—Evidences of its Efficiency; Probable Errors in Arguments of its Critics; Measures that Facilitate its Most Perfect Accomplishment..... 761
Deafness, inner ear—treatment of..... 415
Decapsulation of the kidney in the treatment of nephritis..... 319
Decubitis, the management of..... 203
Defective hearing, treatment and prevention of 637
Deficient vitamine, faulty metabolism of food elements due to..... 91
Dental foci, means of eradicating..... 880
Dermatitis caused by petrol..... 713
Destruction of the nits of the clothes louse by solutions of cresol-soap emulsion and lysol 668
Determination of type and serum treatment in pneumococcus infections..... 602
Device for obviating poisonous gases in a closed garage 152
Diabetes, carbohydrates in..... 727
insipidus: a metabolic study of the effect of pituitary administration. 52
effects of injection of hypophyseal extracts in..... 128
modern views on..... 885
principles and possibilities in the dietetic treatment of..... 336
proteins in the causation of..... 889
starvation treatment of—edema as a danger-signal in the..... 347
treatment of 883
Diagnosis and treatment of epigastric pain 695
of tuberculosis..... 248
of gall-bladder disease..... 905
Diarrhea, emetine—clinical and experimental 28
post dysenteric—treatment of..... 877
Diarrheal diseases of infancy, treatment of the 559
Diathermy, surgical, in the treatment of malignant and non-malignant growths... 743
Dichloramine-T and a modified open-to-the-air treatment of burns..... 305
in infection of the upper air-passages. 809
in the prevention and treatment of epidemic meningitis 34
in the treatment of leg ulcers..... 738
Dietetic treatment of liver diseases..... 882
Diet in infants and children, relation of the reaction of the urine to..... 179
Difficult feeding cases, lactic acid cultures in the treatment of..... 482
Digestibility of bread made from wheat and oats, barley, maize, or rice..... 272
Digestive tract, action of opium and some of its alkaloids on the..... 257
Digitalis and pulsus alternans..... 401
and the control of auricular fibrillation and auricular flutter..... 504
a producer of electrocardiographic depression 641
in auricular fibrillation..... 579
in heart disease with the pulsus alternans 108
in the treatment of auricular fibrillation 272
of the cardiopathic child 420
Dilatation of the stomach during and after anesthesia 98
Diphtheria, active immunization of infants against 884
preparation and method of using toxin-antitoxin mixtures for active immunization against 184
Direct gastric therapy..... 8
Disability in the army, venereal diseases a great cause of..... 822
Diseased tonsils, the enucleation of..... 761
Diseases of infancy and childhood, transfusion and injection of blood in..... 180
of the skin and of the gastrointestinal tract, the use of bakers' yeast in..... 122
of the stomach benefited by the use of olive oil 36
Disinfection, facts and fancies in..... 446
of pneumococcus carriers..... 414
as an aid to the prophylaxis of lobar pneumonia 837
Dispensaries, the beginning of..... 684
Disposition of candidates for enlistment with symptoms of heart disease..... 490
Distribution among foodstuffs of the substance required for the prevention of beriberi and scurvy..... 64
Dropsies and other conditions, the Karell treatment for 790
Drug conservation, practical..... 460
habituation 177
therapeutics, the present tendency to nihilism in 312
Drugs and poisons, the absorption of through the vagina 479
passed from blood serum to the spinal fluid 734
the use of in poor sugar digestion..... 565
Duggan, Charles W.: The Treatment of Gunshot Wounds with Ichthyol and Glycerin. 382
Duodenal ulcer, operation for..... 465
the medical treatment of..... 233
Dysentery, amebic—experiments on the therapeutics of 413
amebic—treatment of 425

Dysentery, bacillary—treatment of by serum and salines 715
diagnosis and treatment of..... 278
treatment of with an emetine adsorption product 870
Dysphagia, painful—treatment of in tuberculous laryngitis 492

Ear diseases of children..... 805
throat and nose diseases, ionic medication in 613
Early crucial incision in the treatment of furuncles 282
Ears, care of the..... 415
Eclampsia, established—active treatment in gravidarum et parturientium..... 690
the treatment of.....428, 857
Eczema in childhood, treatment of..... 420
Edema, acute pulmonary—the treatment of as a danger-signal in the starvation treatment of diabetes..... 347
in chronic parenchymatous nephritis, a method for the alleviation of..... 180
Electric light in the treatment of infections, the practical value of..... 907
Electrocardiographic depression produced by digitalis 641
observations in toxic goitre..... 477
Elmer, Walter G.: Surgical Technique in Orthopedic Surgery 339
Emetine adsorption product in the treatment of dysentery..... 870
and salvarsan, combined, in the cure of amebiasis 646
bismuth iodide in the treatment of entamœba histolytica "carriers".....110, 432
diarrhea—clinical and experimental.... 28
hydrochloride—does the irritant action extend to the kidneys?.... 567
in inoperable cancer..... 479
in the treatment of entamœba histolytica 195
Emergency hypnotic, a prompt..... 257
Empyema abscess and lung abscess, skin flap transplantation as a radical measure to cure 438
a complication in surgery of the thorax 751
—simple, interrupted, and continuous aspiration 199
the surgical treatment of..... 600
Encouraging the paralytic to recover..... 556
End-to-end anastomosis between small and large intestine, the utility of..... 903
Enemata, formulas for in the treatment of duodenal ulcer 237
Enlarged cervical lymph-nodes in children, treatment of 267
Entamœba histolytica "carriers," treatment with emetine-bismuth-iodide 110, 432
infections 425
infection, treatment of.. 195
Enteric fever, surgical complications of.... 343
Enucleation of diseased tonsils..... 761
of tonsils, treatment of..... 524
Epidemic meningitis, means of prevention and specific treatment of..... 34
poliomyelitis, specific serum therapy of 200
Epigastric pain, diagnosis and treatment of 695
pains in cases of gastric and duodenal ulcer, origin of the..... 345
Epilepsy, persistent treatment of..... 49
Ether, Cotton-process 403
Ether oil anesthesia by the rectum..... 138
colonic anesthesia 634
therapy in surgical infections and its effect on immunity..... 441
Eucalyptus oil in the prevention of measles 648
Eusol in the treatment of toxemia and common infections in children..... 214
Excision of gunshot wounds..... 669
Exophthalmic goitre from the point of view of the basal metabolism..... 30

Fistula in ano..... 674
Flatfoot, treatment of..... 666
Flexner's serum the cause of serum disease 335
Flora of septic wounds in relation to secondary suture 509
Flying ability and the Barany chair tests. 669
Focal infection and rheumatism..... 329
Food conservation by physicians..... 406
elements, faulty metabolism of, due to deficient vitamine 91
for children, the banana as a..... 178
Foot defects and orthopedic footwear, revised ideas concerning..... 516
deformities, physiological shoes for.... 519
Foreign body in the eye..... 137
protein injections in the treatment of acute infections 358
Formaldehyde in the treatment of cancer.. 73
in the treatment of decubitus..... 203
in the treatment of papillomata and ingrowing toe-nail 572
Formulas of paraffin mixtures for the treatment of burns..... 14
Fourth analysis of cases of tetanus treated in home military hospitals..... 69
venereal disease 520
Fracture of hip..... 898
of the extremities by means of suspension and traction, treatment of..... 449
of the jaw, gunshot..... 784
of the thighs, complicated — improved apparatus for 370
Fractures in warfare, treatment of..... 435
of the neck of the femur in children.. 289
suppurating—sterilization and closure of 206
the Thomas splint in the treatment of.. 861
Frambesia treated with Castellani's mixture 891
Fresh light on tetanus problems..... 481
Further clinical experience with corpus luteum organotherapy 195
contributions to the study of shock..... 700
studies with the Schick test..... 120
Furuncles, local treatment of..... 282

Gall-bladder disease, the diagnosis of..... 905
Gall-stones, treatment of..... 718
Gas and oxygen in tonsillectomy..... 777
gangrene, acidemia in the treatment of 513, 599
the stethoscope as an aid in the early diagnosis of..... 555
oxygen anesthesia, the choice of anesthetics and the technique of..... 797
pains, postoperative—the cause and prevention of 776
Gaseous gangrene, antitoxin for..... 215
Gastric acidity and secretions, effects of antacid medication on..... 727
and duodenal ulcer, origin of the epigastric pains in cases of..... 345
ulcers, combined medical and surgical treatment of..... 259
hyperacidity and hypersecretion, treatment of 103

Gastric syphilis, the symptoms of..... 63
therapy, direct 8
Gastroenterostomy, medical aspect of..... 254
Gastrointestinal continuity, restoration of following partial gastrectomy for cancer of the pyloric end of the stomach 147
management of tuberculosis..... 533
Gauze pack, intrauterine, for postpartum hemorrhage 354
Gelatin in the treatment of hemorrhage of duodenal ulcer 234
General analgesia by oral administration.. 522
practitioner, the blood-pressure question from the standpoint of the..... 685
surgical antiseptic, acetozone as a.... 43
Genital tract, absorption of drugs and poisons from the 586
Germicidal efficiency of antiseptics of the chlorine group and acriflavine and other dyes 359
Get lean, and—homely..... 788
Glandular enlargement, cervical, in children, as evidence of infection..... 479
Glaucoma, camphor in the partial optic atrophy of 787
Glaucoma, indications for operation in..... 499
Glycosuria and pregnancy..... 117
Goitre, simple—prevention of by administration of iodine..... 892
toxic—electrocardiographic observations in 477
treated with quinine and urea injections 102
use and misuse of treatment..... 271
Gonococcal arthritis, treatment of by sensitized vaccines 442
Gonococcus infections treated with silver iodide 752
Gonorrhea as a complication of pregnancy and labor 77
in young male children..... 585
in soldiers, acute—treatment of..... 286
in the male, the abortive treatment of.. 588
the chemotherapeutic treatment of.... 598
thermotherapy in 402
treatment of with ichthyol..... 386
Gordinier, Hermon C.: The Medical Treatment of Graves' Disease..... 390
Gout and caffeine..... 546
Graves' disease, the medical treatment of.. 390
Growing, normal and diseased bones, the effect of phosphorus on..... 724
Gum acacia, intravenous injections of in surgical shock 569
Gunshot injuries of the chest, with especial reference to hemothorax..... 58
fractures of the femur..... 25
of the jaw..... 784
wounds, excision of..... 669
of peripheral nerves.....66, 895
of the abdomen at the casualty clearing station 596
of the head..... 901
